47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I had fiber installed recently, and having the ability to choose an ISP provider is very important to me.

You must allow all Americans to have the FREEDOM to choose their providers.

Companies like AT&T and Comcast would be failing in a true free market due to their poor product offerings, but they're keep afloat by poor policies and regulatory control.
